1. It is reported that on or about 12 August the Russians evacuated Staaken Airfield. Only a small unit with communications equipment remained behind in a small patch of woods on the southwest corner of the airfield. Doors of buildings are either open or nailed shut and all windows are shattered. Some cement fence posts have been dug up and are lying stacked, ready for transport.
  2. The guard posts at the main entrance to the field are manned by Germans. On 20 August, KVP infantry troops were observed executing military drill on the field 1/.
